Hi Amos - I can't talk to the TSCA refs but I'm happy to attend to cover the procedural issue.

Rosemarie,

My apology for the late additions, but I have a couple items for you to convey to the OECA front office for Susan for tomorrow's OCE Weekly.

First, could you please add the updated briefing sheet from Region 9 for tomorrow's OCE Weekly? The Region 9 staff who will be joining the call tomorrow are using this for their briefing their RA.

Second, we understand that Susan did attend the last minute meeting Alex Dunn had with the R3 RA this afternoon about Hazelton Creek's petition for judicial review of R3's TSCA PCB NON in the Third Circuit Court of Appeals. OGC helpfully informed us that Susan might want to see the briefs on the Third Circuit's jurisdiction. I've attached those for her perusal. We don't have the assigned OECA attorney available tomorrow, but I can ask Tony Baney to attend tomorrow if you think Hazelton will be a topic.

Finally, I believe the Ski Wax paper was sent up earlier today, and we'll be prepared to discuss that tomorrow.

Thanks,
Amos
